Automobile Accident.

While running from Palatka last Sunday morning with a new Hudson 5-passenger touring car, Mr. W. C. Norton and his son, Chester, ran into a stump a little south of Sisco and broke the front axle of the car. The car was running, "it said, at a speed of about 15 miles an hour. The machine is in such shape that it was thought to be impossible to move it until a new axle could be secured and put on. The car is not otherwise seriously crippled.

Mr. Norton bought the car in Jacksonville late in the week and was bringing it home overland. He had made the trip successfully until the accident happened at Sisco. He left Palatka an early hour Sunday morning, and should have reached here by 9:30 or 10 o'clock. The car is a fine one and there will be general regret at this costly mishap. Ralph Waldo Emerson's Stove. Ralph Waldo Emerson was a man of rare integrity and very particular about small things. One day a new cooking stove had been provided for his house, and, although the stove came very highly recommended, it proved thoroughly unsatisfactory and most provoking, as it did everything but what it was expected to do. After awhile the family was in despair, and some one suggested sending it to attention.

"What!" exclaimed Emerson. "Transfer our own perplexity to another pair of shoulders? No, never, unless the stove is labeled 'Imperfect'."

And so "Imperfect" it was labeled and sold at a great discount. Irregular bowel movements lead to chronic constipation and a constipated habit fills the system with impurities. HERBINE is a great bowel regulator. It purifies the system, regularizes the blood and puts the digestive organs in vigorous condition. Price 50c. Sold by Ackerman-Stewart Drug Co., and J. H. Haughton.
